

Advanced Premiere Pro

Training course outline

Advanced Premiere Pro training is designed to expand your knowledge of editing digital video, taking your use of the application to the next level and teaching skills for creating eye-catching videos that look polished and professional.

Course summary

In this course, we delve deeper into Premiere Pro to:

- Expand your editing skills.
- Teach the use of advanced features and tools.
- Show you time-saving workflows.

Sessions include:

- Advanced project and media management.
- Advanced video editing skills for use on the Timeline.
- Advanced audio editing.
- Advanced Dynamic Link workflow.

Whilst we have a standard syllabus for this course (see over), as far as possible we tailor the training to focus on the techniques of interest to the delegates in attendance. Our trainer discusses this with the group at the start of the course.

At the end of the course, we run an open session looking at topics requested by delegates, answering any questions you have and looking at areas you're having problems with.

Duration

One day.

Who should attend?

Existing Premiere Pro users who wish to build on their skills and become more productive using the application.

Prerequisites

Delegates should be familiar with the fundamentals of Premiere Pro, i.e. have attended *Introduction to Premiere Pro* training or have equivalent knowledge.

In-class or live online

You can attend course in-person at any of our centres, or participate online from your place of work or home.

To read about our approach to online training, see armada.co.uk/live-online-training.

General information

Armada is an Adobe Authorised Training Centre (AATC), and our *Advanced Premiere Pro* course is accredited by Adobe.

Advanced Premiere Pro training is hosted by Adobe Certified Instructors (ACIs) with vast experience of using the application professionally.

Whilst attending training at our centres, delegates have the use of a computer running licensed Premiere Pro software to practice the techniques learnt. Refreshments and lunch are provided.

Course fees can be paid by card or bank transfer. We accept purchase orders from UK-registered companies and public sector organisations.

If you're self-funding your training, you can pay in staged payments, interest-free, over 12 months.

Course materials and Certificate

You'll receive an e-certificate (PDF) confirming successful completion of Adobe-accredited *Advanced Premiere Pro* training.

After course support

Following Premiere Pro training, you're entitled to 30 days' email support from your trainer.

Further information
