

Introduction to Articulate Storyline

Training course outline

Articulate Storyline provides everything you need to develop professional-standard, interactive e-learning content that's accessible from any device.

Introduction to Articulate Storyline training provides a thorough grounding for beginners, teaching all key techniques.

Course summary

Introduction to Articulate Storyline provides a thorough grounding for beginners, teaching all key techniques including:

- Understanding e-learning and planning an Articulate Storyline project.
- Creating a project, inserting scenes and slides, adding images, animation and characters.
- Narration, audio and video.
- Review questions and quizzes.
- Publishing your project for the web, mobile distribution and to an LMS.

Duration

Two days.

Who should attend?

This course is ideal for newcomers to Articulate Storyline and e-learning development, and novice Articulate Storyline users.

In-class or live online

You can attend course in-person at any of our centres, or participate online from your place of work or home.

To read about our approach to online training, see armada.co.uk/live-online-training

General information

Articulate Storyline courses are hosted by expert instructors with extensive experience of developing e-learning content.

Introduction to Articulate Storyline training is arranged on-request only, i.e. one-to-one training or a 'closed' course for your group.

This means that the training can be:

- Provided when it suits you.
- Adapted to reflect the type of e-learning content you're developing.

Course fees can be paid by card or bank transfer. We accept purchase orders from UK-registered companies and public sector organisations.

If you're self-funding your training, you can pay in staged payments, interest-free, over 12 months.

Course materials and certificate

You'll receive:

- Comprehensive training materials.
- An e-certificate (PDF) confirming successful course completion.

Method of delivery

Training is designed for the busy professional, being short and intensive and combining lecture and demonstration. Practical exercises carried out under guidance help delegates learn the techniques taught.

Delegates have ample opportunity to discuss specific requirements with the trainer.

After course support

Following Articulate Storyline training, you're entitled to 30 days' email support from your trainer.
